MEMORANDUM FOR THE RECORD

25X1
SUBJECT: Status of CSHP-2.349 - Air Support of Cuban Operations
1960-1962 [redacted]

1. This history is a very good "clean draft", one volume (359 pps.) production with many chapters relating to plans, policies, concepts, logistics, recruitment, training and tactical operations that were effected in the conduct of the Bay of Pigs operation. Material is drawn for this history from memoranda, cables, dispatches and personnel who actually participated in the operation.
